

## Introduction to Report of Contributions and Expenditures

The City Clerk's Office has created this spreadsheet in response to requests from candidates and committees in past elections. We hope that the spreadsheet is easy to understand and makes your job easier. Every effort has been made to test the functionality of the spreadsheet; however, actual use by a committee is the best test of all. Therefore, if you experience any problems with the spreadsheet, please notify the City Clerk's Office immediately.

**You MUST use this Excel spreadsheet. Any reports created in, or converted to, other formats will not be accepted, even if they are converted back to Excel. The damage caused by conversion is extensive, and you will likely have to reenter your information from scratch in an Excel spreadsheet.**

An attempt has been made to incorporate certain design features into this spreadsheet which will maintain the integrity of the design and which will assist you in data entry. Cells that will be filled in automatically or perform a calculation have a blue background. Cells have been formatted for entry of dates and dollar amounts. Certain cells or columns for text entry have been formatted to wrap text or shrink text to fit in the cell. Where appropriate, cells and/or sheets have been locked to prevent alteration. Avoid using cut, copy and paste to complete forms, as it may affect the function of the form.

## Instructions for Completing Report of Contributions and Expenditures

The Report of Contributions and Expenditures is a financial report required for all committees, which accept contributions or make expenditures to support or oppose a candidate or an initiative seeking access to the ballot and/or a referendum placed on the ballot by the City Council. The report is comprised of ten (10) basic data entry pages along with several informational and instructional pages. The data entry forms consist of the Campaign Report with the Detail Summary, and Schedules A through H. Completion of Schedules A through H should be done prior to completion of the Campaign Report and Detail Summary pages. Listed below are brief descriptions of what each data entry page accomplishes to help you complete and finalize this report.

**Campaign Report & Detailed Summary** – these will be pages 1 and 2 of your report. The first is a summary page of the committee or candidate name, address, financial institution, registered agent and the contribution/expenditure totals for a specific reporting period with the Detailed Summary (page 2) summarizing totals for all other data entry forms. Complete this 2-page form last using the information from the other schedules.

**Schedule A** – This form is used to report monetary contributions received by the committee that exceed \$19.99 (Money received into the committee/candidate.)

**Schedule B** – This form is used to report expenditures paid out by the committee or candidate that exceed \$19.99 (Money expended/paid out by the committee/candidate.)

**Schedule C** – This form details loans received and repaid to a financial institution by the committee/candidate.

**Schedule D** – This form details any returned contributions and expenditures.

**Schedule E** – This form details tangible contributions, which can be assessed a fair market value. Expenditures on behalf of a candidate that are coordinated with or controlled by the candidate, candidate's agent or issue committee shall be counted as a contribution to and expenditure by the candidate committee.

**Schedule F** – This form is for candidates who do not have a campaign committee and have not received contributions nor made expenditures. No expenditures have been made on behalf of the candidate.

**Schedule G** – This form is for candidates who do not have a campaign committee but have made expenditures with personal funds.

**Schedule H** – This form is used to report monetary contributions received by the committee that exceeds \$400 (Money received into the committee/candidate). This report **MUST** be filed within 48 hours of receipt of contribution to the City Clerk.
