Resolution of action items or requests from previous meetings.

#### **A message from the Mayor – Community Development Block Grant Funding (CDBG)**

The 2020 budget for the City of Commerce City was recently supplemented by \$428,484 grant received through the Community Development Block Grant program. Commerce City receives this funding from the U.S. Department of Housing and Urban Development for community projects that benefit low-to-moderate income residents. The target area for these funds within the city is south of E. 96<sup>th</sup> Avenue. The CDBG program aims to provide decent housing, a suitable living environment, and expanded economic opportunities for Commerce City residents.

The information below explains the various funding opportunities already available through this program:

#### Home Repairs for Homeowners

Home repairs can be pricey. The good news is income-qualified Commerce City homeowners may be eligible for one or more Home Repair Programs (HRPs), as part of the city's CDBG program. Currently, there are three HRPs available for homeowners:

- **Minor Home Repair Program** – minor home repairs (up to \$7,500 per household)
- **Weatherization Program** – furnace and hot water heater improvements
- **Paint-a-Thon Program** – exterior painting for seniors and disabled homeowners

The City will accept applications year-round until the funding is completely utilized. Home repair projects are approved on a first-come, first-served basis.

#### Public Service Programs

New this year, the CDBG program partnered with the Audio Information Network (AIN) to assist income-qualified city residents who are blind and/or reading impaired. Installed audio devices, such as an Amazon Echo with Alexa, will provide news, health and wellness, entertainment, and education in both English and Spanish. AINC offers in-home set up of equipment, training to use devices, and helps listeners obtain discounted internet services.

## FROM THE CITY MANAGER'S OFFICE

---

For the week of February 17, 2019

### Non-profit Grant Funding

CDBG funding is available for non-profits, community and faith-based organizations, businesses, and city departments. All are encouraged to apply. CDBG can fund activities/projects for low-to-moderate-income residents such as: neighborhood improvements, transportation, senior services, youth services, crime prevention, housing counseling, homelessness prevention, medical and dental services, victim assistance, fitness promotion, and many more. Applications are due on March 11, 2020 by 11:59 pm MST.

The city needs public input on how to spend future funding and public participation is encouraged. The next Public Input Meeting to plan future CDBG projects will be held at the Eagle Pointe Recreation Center, 6060 E. Pkwy. Dr. on March 31, 2020, at 6:00 p.m.

If you have questions regarding any of these programs or need additional information regarding the requirements to apply, please visit the CDBG information page on the city's website at <https://www.c3gov.com/government/community-development-block-grant-cdbg> or call the program administrator, Cheryl Steinberg at 303-289-8168.

### **Video and Audio in City Council Chambers**

Staff recently received complaints about the quality of the video and audio when broadcasting City Council meetings. As a result, staff is looking at ways to increase the broadcast audio level during City Council meetings. All City Council meetings are broadcast live on the City website for anyone to view and on Comcast Channel 8 & 881 for local Commerce City residents with a Comcast cable subscription. Channel 8 is the Standard Definition (SD) broadcast and channel 881 is the High Definition (HD) broadcast. The preferred cable channel to tune into a City Council meeting is channel 881 as the video will look much better, provided the cable subscriber has an HD cable box and an HD TV. Finally, city staff are currently working with the vendor that manages the online streaming of City Council meetings on ways to improve the audio and video quality, when viewing meetings on-line.

### **Civic Academy**

Commerce City conducted a pilot program of the Civic Academy last year. The seven-week program gives residents a chance to deepen their knowledge of the city and its operations, and is designed to develop and cultivate leaders in the community by informing residents, increasing engagement, improving trust, and encouraging residents to participate in the community. Council directed staff to continue the program in perpetuity based on the results of the pilot program. This year's Civic Academy will begin April 1 and run through May 13, with a graduation at the May 18 Council meeting. Applications are currently open to the public through the city website at [c3gov.com/academy](https://www.c3gov.com/academy) and are due by March 9. Enrollment is capped at 25 participants, who must be residents of Commerce City or employed at a business with a physical presence in Commerce City. Questions may be directed to John Bourjaily at [jboujaily@c3gov.com](mailto:jboujaily@c3gov.com) or (303) 227-8789.

## FROM THE CITY MANAGER'S OFFICE

---

For the week of February 17, 2019

### **ULI Colorado 2020 Spring Symposium**

The Urban Land Institute (ULI) of Colorado, whose mission is to provide leadership in the responsible use of land and in creating and sustaining thriving communities, is holding a community development symposium in April. The Community Development Director has accepted an invitation to serve on a panel discussion as part of the symposium. The panel is a collection of directors from diverse communities in the Front Range that are influential to the growth of the region. The Community Development Director will be discussing priorities and opportunities, and how the real estate and development community can help Commerce City achieve its vision.

### **Upcoming Restaurant Openings**

- A corporate representative for **Dairy Queen** shared that the store opening at 14950 E. 104th Avenue in the Aspen Hills Development is delayed. They hope to open sometime in March 2020.
- **Dutch Bros Coffee** in Reunion Station (NEC of E. 104th Avenue and Chambers Road) is still under construction and anticipates opening in early April 2020.
- The retail in-line center under construction in Reunion Station (NEC of E. 104th Avenue and Chambers Road) will house a new restaurant and bar called **G's Tacos**. The new full service restaurant and bar plans to open in late spring 2020.

### **Buffalo Run recognized by Colorado AvidGolfer magazine**

Colorado AvidGolfer magazine holds an annual reader's choice vote for the Best in Colorado Golf. Buffalo Run Golf Course was selected by readers as the "Favorite Colorado AvidGolfer Golf Passport Course" in the 2020 CAGGY Awards. The Golf Passport is Colorado's premier golf discount program giving users great deals for golfing, dining, and retail. Complete results can be found online at <https://coloradoavidgolfer.com/2020-caggy-award-winners/>.

### **Legislative report**

Attached please find the current legislative report. [Legislative Tracking Sheet](#)

### **Oil and Gas Update**

Attached please find the current oil and gas update. Additional information can also be found on the city's [webpage](#).

### **City Council Work Schedule**

Attached please find the current city council meeting schedule.

### **New Business Licensing List**

[New business licenses](#) issued by the City Clerk's Office for January 2020.

# MEMO

**To:** Brian McBroom, City Manager  
**From:** Domenic Martinelli, City Planner  
**Subject:** Oil & Gas Weekly Update  
**Date:** February 11, 2020

---

## **Executive Summary:**

This weekly update is intended to provide an overview of recent applications that have been submitted to the Colorado Oil and Gas Conservation Commission (COGCC) or City applications within Commerce City boundaries.

## **General Updates**

The city has launched a new [interactive online mapping tool](#) to display information on city permit activity. The map displays city application activity only – to access state permit information, including the location of any Form 2, Form 2a or Spacing applications, please visit the Colorado Oil and Gas Conservation Commission (COGCC) mapping system [here](#). A link to the city map is available to the public on the [Oil and Gas Application Activity Page](#) on the city's website.

The map also provides a link to the new oil and gas news feed on the city website, where members of the public can sign up to receive email notifications on items such as:

- New oil and gas permit applications and application status changes
- Upcoming council actions
- Upcoming community meetings and open houses
- Public comment periods
- Link to monthly council update

Sign up for the notifications [here](#).

## **Notice of Well Maintenance Work**

Extraction Oil and Gas will be conducting maintenance work on one existing vertical well located within Commerce City limits in the next several weeks. This will require the utilization of an overwork rig, which may resemble the appearance of a drilling rig, **but no new wells will be drilled as part of this process**. For additional information on these activities, please reach out to Patty Varra with Extraction Oil and Gas ([pvarra@extractionog.com](mailto:pvarra@extractionog.com), 720-974-7732).

**MEMO CONTINUED**

Well Name	GPS Coordinates	Anticipated Start Date
Box Elder Farms 41-21	<a href="#">39.869055, -104.774314</a>	February 10, 2020

**City Oil and Gas Permits**

The city has deemed the following Oil and Gas Permit submittals complete:

Site Name	Case Number	Operator	Council Action Required	Well Count
Pelican	OG-002-19	Extraction Oil and Gas	Conditional Use Permit	28
Heron	OG-003-19	Extraction Oil and Gas	Conditional Use Permit	24
Blue Jay	OG-004-19	Extraction Oil and Gas	Rezoning	18
Owl	OG-005-19	Extraction Oil and Gas	Rezoning	18
Falcon	OG-006-19	Extraction Oil and Gas	Rezoning	18
*Harlo	OG-007-19	Extraction Oil and Gas	Rezoning	32
*Anteater (Jacobson)	OG-008-19	Extraction Oil and Gas	Rezoning	36

\*Pursuant to Exhibit A of the ROA, one of these sites may be permitted by the city, but *not* both.

**Condor Well Site:**

On October 17<sup>th</sup>, the permit application for the Condor well site was deemed complete by the city. Upon further review of the permit, it was discovered that the application was not notarized and signed by the landowner. Per section 21-3150 of the Land Development Code, an application must either be submitted by the property owner or a duly authorized agent. The previous application status given was done so in error, and the application submittal has been deemed **not complete**. A discrepancy has been noted in the location of the Oil and Gas Permit submittal, versus the location generally contemplated under the land owner's current PUD (Planned Unit Development) Zone Document application (Z-953-20). Once the necessary application materials needed to demonstrate owner's consent of the application is received, the application status will be appropriately reflected, and the application will continue being processed.

The table below shows the date each permit was submitted to the city, the date the permit application was deemed complete per section 5.2 of the Regional Operator Agreement, and the review status for each permit. Upon being referred out to a number of internal and external review entities, the permit undergoes an initial six-week review cycle, and is then scheduled for an internal Development Review Team (DRT) meeting. A comment letter is then issued to the applicant, informing them of revisions that need to be

**MEMO CONTINUED**

made to the permit in order to continue the review process. For permits in the table above that require council action prior to approval, no final action will be taken on an administrative Oil and Gas Permit until council either approves, approves with conditions, or denies the relevant case. This table will be continuously updated as permits are under review by the city.

Case Number	Date Permit Application Submitted to City	Date Permit Application Deemed Complete By Staff	Sent Out For Review On	Referral Agency Comments Due to Staff	Development Review Team Date	Permit Status (Approved / Pending / Denied / Withdrawn / Completeness Review)
OG-001-19	10/8/2019				TBD	Completeness Review
OG-002-19	10/8/2019	10/21/2019	11/18/2019	12/30/2019	1/9/2020	Pending
OG-003-19	10/18/2019	11/4/2019	11/25/2019	1/6/2020	1/16/2020	Pending
OG-004-19	10/17/2019	11/8/2019	12/2/2019	1/13/2020	1/23/2020	Pending
OG-005-19	10/17/2019	11/8/2019	12/5/2019	1/21/2020	1/30/2020	Pending
OG-006-19	10/17/2019	11/8/2019	12/5/2019	1/27/2020	2/6/2020	Pending
OG-007-19	10/21/2019	11/4/2019	12/13/2019	2/3/2020	2/13/2020	Pending
OG-008-19	12/10/2019	12/23/2019	1/10/2020	2/18/2020	2/20/2020	Pending

**State Spacing Applications:**

Spacing applications depict proposed boundaries for subsurface activity in a broad geographic area (1-2 square miles) for resource identification. They do not identify actual surface use locations or entitle an operator to commence operations. Consistent with previous practice, the city does not formally comment or weigh in on spacing applications. The following table shows approved or currently pending spacing applications.

Docket No	Operator	Location (Sections)	Intervention Date	Status
180300262	Petro Operating	Sections 10 & 11, T2S R67W	4/16/2018	Approved
180400300	Extraction Oil and Gas	Sections 21, 22 & 23, T2S R66W	4/16/2018	Approved

## MEMO CONTINUED

180700555	Great Western Operating	Sections 12 & 13, T2S R67W	7/16/2018	Withdrawn

**MEMO CONTINUED**

190600410	Great Western Operating	Sections 1 & 2, T2S R67W	5/17/2019	Withdrawn
-----------	----------------------------	--------------------------	-----------	-----------

190300230	Extraction Oil and Gas	Sections 11 & 12, T2S R66W	2/25/2019	Withdrawn
		Sections 13 & 14, T2S R66W		Withdrawn

**Form 2 (State):**

Form 2's are the permit for each wellbore and it's construction. They are primarily related to "downhole" or geologic issues relative to the underground activities and the impact on minerals. They do not give permission to commence drilling or production.

Site Name	Operator	Original Intervention Date or Comment Deadline	Status	Well Count
Blue Jay	Extraction Oil and Gas	4/12/2018	On Hold	32
Owl	Extraction Oil and Gas	4/18/2018	On Hold	16
Condor	Extraction Oil and Gas	4/25/2018	On Hold	16
Red Tail	Extraction Oil and Gas	5/14/2018	On Hold	16
Antelope	Petro Operating, LLC	5/16/2018	Pending	24
Falcon	Extraction Oil and Gas	5/21/2018	On Hold	32
Kestral	Extraction Oil and Gas	5/21/2018	On Hold	16
Oriole / Hawk	Extraction Oil and Gas	9/5/2018	On Hold	32

**New Applications Received Since Previous Update:**

None

**Form 2A (State):**

Form 2A's are the permit for the surface wellpad location. They examine the site location, the proposed site plan, the proposed drilling activities to be used, and best management practices for landscaping, sound mitigation, and other conditions. All operators listed below have requested holds be placed on the processing of all Form 2A's, with the additional request of a 2<sup>nd</sup> comment period. At that time, the city will provide formal comment during the time of the 2<sup>nd</sup> comment period, which the date has yet to be specified.

## MEMO CONTINUED

Site Name	Operator	Original Intervention Date or Comment Deadline	Status
Condor	Extraction Oil and Gas	4/25/2018	On Hold
Blue Jay	Extraction Oil and Gas	5/27/2018	On Hold
**Antelope	Petro Operating, LLC	5/31/2018	Pending
Falcon	Extraction Oil and Gas	6/9/2018	On Hold
Harlo	Extraction Oil and Gas	9/15/2018	On Hold
Red Tail	Extraction Oil and Gas	9/15/2018	On Hold

**New Applications Received Since Previous Update:**  
None

\*\*The city provided a comment letter to the COGCC requesting the opening of a second comment period after further conversations with the operator occur regarding the location. The city currently opposes the proposed location of this site based on proximity to planned and existing residential and other health and safety concerns.
